#### ASSOCIATE DEAN ADMINISTRATION

## **Updates on Construction Projects**

x PENDING: Education Garage is managed solely by FMAS (Facilities Management and Ancillary Services) and is therefore the sole unit responsible for its reopening and operation. The Faculty of Education is not involved with the Garage operations. The Dean's Office communicates regularly with FMAS to obtati updates on the reopening. FMAS was optimistic for an opening at the end of August, but I was recently informed that we are now looking at an opening date involvember. If Faculty members or staff requiressistance with parking, they should contact Parking Services directly (operating under FMAS). Parking services should be able to propose solutions to Faculty and staff.

## Ongoing Renovations:

## **Active Projects**

x Education 627: update of the space to be functional (removal of computers and arms). Awaiting confirmation of updates to the projection system and podium from TLS.

## Request for scientific equipment (Teaching Labs):

- x \$98k of equipment approved for the Science Teaching Lab, Tassone Teaching Lab, and ECP clinic.
- x Every year, the University Teaching Lab Working Group (UTLWG) accepts applications to update/replace equipment for our teaching labs. A call for equipment may be issued in October/November, depending on the UTLWG budgets. Please inform the contact persons overseeing a teaching lab you use and communicate any equipmenttoebed ADAdministration
