

Minutes of a meeting of the APPC Subcommittee on Courses and Teaching Programs (SCTP) held **Thursday, May 19, 2005**

M.Sc. in Renewable Resources; Non-Thesis – Environmental Assessment (45 cr.)

New option of existing program consisted of 45 credits of Required Courses. The program will provide students with skills to effectively address the challenges of working in the interdisciplinary field of environmental assessment.

SCTP's requested change:

- correct program title on page 2 – it should read “Summary of the M.Sc. in Renewable Resources; Non-Thesis – Environmental Assessment Option (45 credits)”

SCTP requested:

- submit program revision proposal to SCTP to revise existing M.Sc. in Renewable Resources; Thesis to delete Required Course AEMA 310 because undergraduate courses may not be counted towards graduate program requirements [but may be deemed additional requirement]; and delete “Note: Student may be required to take advanced undergraduate courses if background inadequate”, as this was not approved in CAPP
- existing program needs to be presented in usual format [Required Courses (# credits), Complementary Courses (# credits), Elective Courses (# credits)] and course number, title and credit weight need to be indicated for each course

New option approved pending approval of existing program; new option will be reported to CGPS for approval

NRSC 610 Advanced Env Assessment (3 cr.)

New course approved

NRSC 611 Env Assessment Knowledge Base (3 cr.)

New course approved

NRSC 612 Env Assmt&Sustainable Dev (3 cr.)

SCTP's requested change:

- revise title in box 8 to delete words that are not in box 6 and add the words that were omitted; title in box 8 should read “Environmental Assessment and Sustainable Development”

New course approved with this change; SCTP Secretary will revise proposal

NRSC 613 Strategic & Sectoral Env Assmt (3 cr.)

New course approved

NRSC 614 Meeting Env Assmt Regulations (3 cr.)

New course approved

NRSC 615 Env Assessment Internship (15 cr.)

SCTP's suggested changes:

- revise proposed description to delete last two sentences, as they are information for the course outline
- correct typo in Rationale “Environment Québec” should read “Environnement Québec”

New course approved with these changes; SCTP Secretary will revise proposal

NRSC 616 Env Assessment Project Paper (9 cr.)

SCTP's suggested change:
