McGill's Schulich School of Music is the largest university-based school for professional musical training and music research in Canada.

McGill's Schulich School of Music is renowned for its orchestral, choral, opera, jazz, chamber, contemporary, and early music programs, and for its award-winning creative and research work in composition, music theory, musicology, music education, sound recording, and music technology.

- *Pollack Hall* (capacity: 600), *Redpath Hall* (capacity: 300 and housing the University organ) and *Tanna Schulich Hall* (capacity: 170) are among the busiest and best concert venues in Montreal;
- The intimate *Clara Lichtenstein Hall* (capacity: 50) was renovated in 2014;
- Facilities also include the *Wirth Opera Studio* (an opera rehearsal room), and the *Multimedia Complex Suite*, including the Multimedia Room (a scoring stage/acoustical research lab), three isolation booths, a small recording studio, and three control rooms of different sizes;
- The three floors of the *Marvin Duchow Music Library* contain well over 100,000 scores, recordings, books, and periodicals;
- The *Gertrude Whitley Performance Library* has performing parts for over 6,000 titles;

The buildings house labs for numerous specialized functions: digital composition and electronic music, music education research, multi-channel sound recording, music perception and cognition, sound processing and control, computational modelling, and more. There are state-of-the-art classrooms, teaching studios, and over 100 practice rooms.

Current student enrolment is approximately 550 at the undergraduate level and approximately 300 at the graduate level. Teaching staff includes 60 full-time and over 140 part-time members. Students, faculty, and staff play major roles in Montreal's vibrant cultural scene, presenting approximately 600 concerts and events annually, as well as master classes, lectures, and symposia, all enhanced by active music student societies, a booking office, and engaged administrative and support staff.

2 History of the School

Founded as the Conservatorium of Music in 1904, and incorporated as a Faculty in 1920, the School moved to its current location in the impressive and historic Strathcona Music Building (formerly the main section of Royal Victoria College) in 1972. It was renamed the Schulich School of Music in 2005 in honour of benefactor Seymour Schulich. During the 2004–2005 centennial season, the School added the eight-story Elizabeth Wirth Music Building (named in 2015), which houses the Marvin Duchow Music Library, Gertrude Whitley Performance Library, Tanna Schulich Hall, CIRMMT (the Centre for Interdisciplinary Research in Music Media and Technology), the MMR (Multimedia Room), the Wirth Opera Studio, and administrative offices.

Telephone: 514-398-4546
Fax: 514-398-8873
Email: undergradadmissions.music@mcgill.ca

Full information, including access to the web-based application form, is available at www.mcgill.ca/music/admissions.

In order to ensure proper consideration, web applications for the Fall Term (September) must be submitted by **January 15**. The School does not normally admit students in the Winter Term (January). Please consult the Music Admissions Office for exceptions. Applications received after these deadlines will be considered if places are still available.

1. **Application information** should include detailed descriptions of the applicant's musical background, training, and statement of intent including diplomas, certificates, and/or transcripts;
2. All applicants must arrange to have a **Letter of Recommendation** submitted on their behalf;
3. All **supporting documents** for undergraduate applications can be submitted online via Minerva; see www.mcgill.ca/applying/nextsteps/documents for guidelines on how to upload documents;
4. Once an admission decision is made, **official transcripts** may be required to complete the admission file;
5. All **screening and audition recordings** should be submitted electronically directly to the Schulich School of Music: www.mcgill.ca/music/admissions/undergraduate.

Applicants are advised that satisfying the entrance requirements does not guarantee admission where instrumental places are limited.

6.2 Music Entrance Requirements

The minimum music entrance requirements are the equivalent of McGill Conservatory Collegial I Instrument or Voice (Performance applicants: Collegial II) and Secondary V Theory and Ear Training.

Approximate Equivalents to Entrance Requirements in Practical Subjects (McGill Conservatory Collegial I – Instrument/Voice)

Quebec CEGEPs	CEGEP II
Toronto Conservatory	Grade 9
Western Board	Grade 9
Mount Allison	Grade 9
Associated Board of the Royal Schools of Music	Grade 7

The above listing is intended only as a general guide. Admissibility to any program is determined by audition and academic record. Students wishing to major in Performance should be approximately two years more advanced, and be able to demonstrate potential as performers at their audition.

All applicants in **classical voice (voice types: mezzo and soprano)** and in all **jazz instruments** will be required to submit screening material (video) for preselection by January 15. Following a review of these recordings, selected applicants will be invited to attend a live audition. No live audition will be scheduled in classical voice (voice types: mezzo and soprano) or in any jazz instrument until recordings have been received and reviewed. All applicants must perform an audition of approximately 15 minutes' duration. The student should choose material that will represent different musical periods and reveal musicianship and technical proficiency to best advantage.

Consult the Music Admissions website at www.mcgill.ca/music/admissions/undergraduate for specific information on entrance audition requirements and dates.

Recorded auditions (video) are acceptable when distance prevents an applicant from attending an audition in person.

Applicants for **Composition** are asked to submit two or three samples of their written work.

Music Education applicants are asked to outline reasons for wishing to enter the Music Education field in their statement of intent and have a letter of reference sent from someone attesting to their suitability for teaching.

All screening, audition recordings, and composition samples should be submitted electronically to the Schulich School of Music. Please consult the Music Admissions website for instructions on how to submit this material: www.mcgill.ca/music/admissions/undergraduate.

6.3 Academic Entrance Requirements

6.3.1 Bachelor of Music

An applicant's entrance audition and academic record are considered when making an admission decision. As a limit is placed upon the number of students admitted to study a particular instrument, fulfilment of the minimum entrance requirements does not guarantee acceptance. TOEFL may be required of non-Canadian students whose mother tongue is not English. It is the applicant's responsibility to make the necessary arrangements with the examining board to write the test in the country of residence.

6.3.2 CEGEP Applicants

Students are expected to obtain the Quebec Diploma of Collegial Studies (*Diplôme d'études collégiales* [DEC]) in the Music Concentration or equivalent. Applicants with a DCS/DEC in a field other than Music must have the equivalent Music prerequisites. The minimum overall average required is 75%. CEGEP graduates are considered for admission to a three-year or a four-year program.

6.3.3 Canadian High School (excluding Quebec) Applicants

Applicants are expected to obtain a high school graduation diploma that leads to university admission in the student's home province. Ontario high school students are normally expected to have obtained a minimum of six pre-university (4U, 4M) courses; at least four of the six must have been taken at the 4U level. There are no specific non-Music prerequisite courses required, and the minimum overall average should be 75%. Canadian high school graduates are admitted to a four-year program.

6.3.4 U.S. High School Applicants

Applicants are expected to obtain a high school graduation diploma that meets the requirements for university/college admission in the U.S. The minimum overall average required is B+. There are no specific non-Music prerequisite courses, SAT, or Achievement Test results required. Some credit will be granted for Advanced Placement Examinations in appropriate subjects. U.S. high school graduates are admitted to a four-year program.

6.3.5 International Applicants

In general, applicants must be eligible for admission to university in their country of origin and have above-average grades. Students who have completed an International Baccalaureate, a French Baccalaureate, or a minimum of three GCE "A" (Advanced) Level examinations are considered for admission into a three-year program. Normally, applicants with five GCE "O" (Ordinary) Level results, plus one year of schooling beyond the Ordinary Level, are admitted to a four-year program. Applicants with qualifications from other systems will be considered for either a three-year or a four-year program.

6.3.6 Transfer Students

Transfer students are considered on the basis of both their university or college work and pregl program. Normally

6.4 Diploma Programs

6.4.1 L.Mus. (All Applicants)

For admission to the Licentiate program, the applicant must have completed secondary school. The applicant's music qualifications must be equivalent to McGill Conservatory Collegial II Instrument or Voice and Secondary V Theory/Ear Training. An entrance audition is required. This program is normally three years in length.

6.5 Music Placement Examinations

In order to determine their course levels, all new students, including students from other faculties who are interested in pursuing a music minor or major

- **Winter session** – November 15
- **Summer session** – April 1
- **Fall session** – January 15 (students who must re-audition); or June 1 (no audition)

6.6.1 Re-auditioning

Students who *have not* completed their required practical examinations will be required to re-audition. Students who *have* completed their required practical examinations and are returning to fulfil academic courses are not required to re-audition. Students who are uncertain of the re-audition regulations are urged to contact the Music Student Affairs Office at studentaffairs.music@mcgill.ca.

6.7 Tuition Fees, Practical Instruction Fees, and Lesson Quotas

Note: The information in this section was updated in July 2019. A list of current music fees for the 2019-2020 year is also available on the [Student Accounts Website](#).

General information on *Tuition* and *Other Fees* can be found in [University Regulations and Resources](#) > Undergraduate > Fees > : *Tuition Fees*. The University reserves the right to make changes without notice in the published scale of fees.

Individual practical instruction on a main instrument or voice as indicated in the various degree and diploma programs (see [section 5.1: Degrees and Diplomas Offered](#)) is included at the per-credit rate and the practical instruction fee of \$586.72 per term only while the student is full-time, and for a maximum number of years according to the following table:

Table 1: Practical Instruction Entitlement

Maximum Years of Practical Instruction at the per-credit rate, 1 hour per week		
Category of Student (based on academic entrance qualifications)	B.Mus. (Perf. or Jazz Perf.)	B.Mus. (non-perf. Major*)
High School graduates (Gr.12) [Canadian, except Quebec; United States; Overseas]	5 years	3 years
CEGEP graduates [Holders of DEC or DCS in Music or a non-Music specialization]	4 years	2 years
Transfer students [from other colleges, universities, or McGill faculties] or degree holders	4 years	2 years
Mature Students [without above academic qualifications but who are 21 years old as of Sept. 1]	4 years	2 years

* B.Mus. Non-Performance Majors include Music Composition, Music Education, Music History, Music Theory, Faculty Program, and Faculty Program-Jazz concentration.

L.Mus. students are entitled to practical instruction at the per-credit rate plus the music practical instruction fee for a maximum of four years, 1 hour per week.

The maximum of four years of practical instruction for L.Mus. students includes instruction received while in a B.Mus. program either during or prior to registration in the L.Mus. program.

Note: Part-time students in the **B.Mus.** and **L.Mus.** programs and those who have exhausted the above-listed maxima will be charged a supplemental private lesson fee of \$921.15 per term in addition to the per-credit fee and the music practical instruction fee of \$586.72 per term.

Special or part-time Visiting Students who are permitted to enrol for practical instruction will also be charged a supplemental private lesson fee of \$921.15 per term, in addition to the per-credit fee and the music practical instruction fee of \$586.72 per term, as will all other students taking instruction in a **second practical subject**.

7.1 General Academic Information

Students are required to be punctual at all classes and lessons. Grades in academic subjects are calculated on the basis of class work, examinations, and other course-related tasks as described in the class syllabus. Students risk failure in the subject concerned if they miss examinations or class work without a valid excuse provided in a timely manner.

We strongly recommend that students follow the sample course sequence published on their respective program's website (www.mcgill.ca/music/programs) so they can complete program requirements within the standard 4-year time frame (B.Mus. students) or 3-year time frame (L.Mus. students). It is particularly important for students to pass the required Core Courses in a timely manner and in strict sequence, as they provide structured training in the professional competencies crucial to your success in our programs and in the field of music. Students risk delaying their graduation if they fail to complete the required courses in the recommended program sequence.

7.2 Academic Requirements by Program

B.Mus. Composition

All B.Mus. Composition students must attain a minimum grade of "B-" in all courses with MUCO prefixes in order to continue in the program.

The Composition Area may recommend students to transfer to another B.Mus. program if they fail to meet this requirement. Students may consult with a Program Adviser to determine their eligibility to transfer to another B.Mus. program.

B.Mus. Performance

Students in all B.Mus. Performance programs must attain a minimum grade of "B-" in all practical instruction/exams and ensembles to continue in the program.

The faculty will issue students an academic warning if they fail to meet this requirement. Students having received a warning are permitted to continue in their admitted program providing they do not get another grade lower than "B-" in a practical instruction/exam and/or ensemble in subsequent terms. Students failing to meet these requirements will be asked to transfer to the B.Mus. Faculty program. Students may also consult with a Program Adviser to determine their eligibility to transfer to another B.Mus. program offered by the Department of Music Research.

B.Mus. Jazz Performance

All B.Mus. Jazz Performance students must attain a minimum grade of "B" in all jazz courses (with MUJZ and MUSP prefixes), as well as in all practical instruction/exams and ensembles to continue in the program.

The faculty will issue students an academic warning if they fail to meet these requirements. Students having received a warning are permitted to continue in the admitted program as long as they abide by the probationary conditions. Students failing to meet the probationary condition will be asked to transfer to the B.Mus. Faculty Jazz concentration program. They may also consult with a Program Advisor to determine their eligibility to transfer to another B.Mus. program offered by the Department of Music Research.

L.Mus. Programs

Students in all L.Mus. Performance programs must attain a minimum grade of "A-" in all practical instruction/exams and ensembles to continue in the program.

The faculty will issue students an academic warning if they fail to meet this requirement. Students having received a warning are permitted to continue in their admitted program providing they do not get another grade lower than "A-" in a practical instruction/exam and/or ensemble in subsequent terms. Students failing to meet these requirements will be asked to withdraw from the licentiate program.

7.3 Academic Standing

In addition to meeting the program-specific academic conditions stipulated above, students are expected to maintain satisfactory academic standing to allow for program continuation.

Academic Standing is based primarily on students' cumulative grade point average (CGPA), but may also be affected by their term grade point average (TGPA). Academic Standing, assessed after the end of each term, determines if students will be allowed to continue their studies in the next term and if any conditions will be attached to their registration.

Decisions about Academic Standing in the Fall term are based only on grades that are available in January. Grades for courses in which students have deferred examinations and Fall term grades for courses that span the Fall and Winter terms do not affect Academic Standing for the Fall term, even though they will ultimately affect students' Fall TGPA. Therefore, Academic Standings for the Fall term are designated as "interim" and should be interpreted as advisory; moreover, interim Standings will not appear on external transcripts. *Interim Standing decisions are mentioned below only if the rules for them differ from those for regular Standing decisions.*

Satisfactory/Interim Satisfactory Standing

Students in Satisfactory Standing may continue in their program.

- New students are admitted to Satisfactory Standing.
- Students with a CGPA of 2.00 or greater are in Satisfactory Standing.

Probationary/Interim Probationary Standing

Students in Probationary Standing may continue in their program, but must carry a reduced load (maximum 12 credits per term) and raise their TGPA and CGPA to return to Satisfactory Standing. They should see their Program Advisor to review their course options.

Students in Interim Probationary Standing may continue in their program, but should evaluate their course load and reduce it as appropriate. They are strongly advised to meet with a Program Advisor to review their program status before the add/drop deadline in each semester.

- Students who were previously in Satisfactory Standing will be placed in Probationary Standing if their CGPA falls between 1.50 and 1.99.
- Students who were previously in Probationary Standing will remain in Probationary Standing if their CGPA falls between 1.50 and 1.99 and their TGPA is 2.50 or higher, although the TGPA requirement will not apply to the Summer term.
- Students who were previously in Interim Unsatisfactory Standing will be placed in Probationary Standing if their CGPA falls between 1.50 and 1.99 and their TGPA is 2.50 or higher.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) will be placed in Probationary Standing if their CGPA is less than 2.00, but if they satisfy relevant conditions specified in their letter of readmission.

Readmitted Unsatisfactory Standing

Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) will have their Standing changed to readmitted Unsatisfactory Standing. Their course load is specified in their letter of readmission, as are the conditions they must meet to be allowed to continue in their program. They should see a Program Advisor to discuss their course selection.

Unsatisfactory/Interim Unsatisfactory Standing

Students in Interim Unsatisfactory Standing may continue in their program, but should evaluate their course load and reduce it as appropriate. They are strongly advised to meet with a Program Advisor to review their program status before the add/drop deadline in each semester.

Students in Unsatisfactory Standing who have failed to meet the minimum standards set by the Faculty may not continue in their program and their registration will be cancelled.

Appeals for readmission by students in Unsatisfactory Standing should be addressed to the Associate Dean (Academic and Student Affairs) no later than July 15 for readmission to the Fall term and November 15 for the Winter term. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation). Students in Unsatisfactory Standing for the second time must withdraw permanently.

Normally, supplemental examinations are not permitted; however, students in Unsatisfactory Standing may appeal to the Associate Dean (Academic and Student Affairs) for permission to write a supplemental examination, clearly stating the reasons for special consideration and providing proof as appropriate.

- Students will be placed in Unsatisfactory Standing (Winter or Summer term) or Interim Unsatisfactory Standing (Fall term) if their CGPA falls or remains below 1.50.
- For the Fall and Winter terms, students who were previously in Probationary, Readmitted Unsatisfactory, or Interim Unsatisfactory Standing will be placed in Unsatisfactory Standing if their TGPA falls below 2.50 and their CGPA is below 2.00.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) who have not at least satisfied the conditions to attain Probationary Standing that were specified in the letter of readmission will be placed in Unsatisfactory Standing.

Incomplete Standings

Standing awaits deferred exam; must clear Ks, Ls, or Supplementals.

Students with Incomplete Standings in the Winter or Summer term may register for the Fall term, but their Standing must be resolved by the end of the Course Change Period for that term. Students whose Incomplete Standing changes to Satisfactory or Probationary may continue in their program. Students whose Standing changes to Unsatisfactory Standing may not continue in their program.

Students whose Standing changes to Unsatisfactory and who wish to ask for permission to continue in their program must make a request to the AssociateFal4d36 Tm(a

7.4.3 Additional Ensembles

Additional ensembles chosen by students in non-performance programs to reflect their particular interests may, with departmental approval

Assignments for large and small ensembles are posted on the [Ensemble Resource Office website](#). Reassignments may be made from time to time during a term and will be communicated to students. Students registered in an instrumental program who are not assigned a large ensemble following the ensemble placement auditions should take a choral ensemble as their large ensemble.

7.4.5 Commitment

Ensembles are courses. Each student who has registered for an ensemble, or who has been assigned to an ensemble, has made a commitment to the ensemble and is required to be available to attend all rehearsals, concerts, performances, field trips, recordings, and other activities, which constitute the course requirements of that ensemble. If rehearsals outside of class meeting times occur, advance notice will be given. These additional rehearsals will be avoided when possible.

7.4.6 Failing Grade

A failing grade in any of the ensembles (large, small, complementary, or elective) obliges the student to make up the credit during a later semester. A subsequent failure in the same course may result in the student being required to withdraw from the program.

7.4.7 Request to be Excused from a Rehearsal

Students who cannot attend a rehearsal for a large ensemble are required to fill out an [Absence Request Form](#) as soon as they learn of their conflict. The students may be required to find a replacement for the rehearsal, in collaboration with the director.

Note: For Opera McGill policies, please contact opera.music@mcgill.ca.

How to submit a request to be absent from a rehearsal

Important: No permission is given to be excused from a rehearsal in the week (7 days) before a concert, including the dress rehearsal and the concert itself.

Absences or tardiness without an approved Absence Request Form (available at sites.music.mcgill.ca/ensembles/absencerequest) will result in a final grade deduction as follows:

- Excused absences = no loss of grade
- Tardy to rehearsal, without appro

7.4.8 Preparation

If the director of an ensemble is not satisfied with the quality of the student’s preparation for rehearsals, the director shall first warn the student. This warning shall be communicated by the director to the Ensemble Resource Supervisor and Area Chair, who shall inform the student in writing. If, in the Director’s opinion, this lack of preparation continues, further action will be taken to remedy the situation.

For any particular performance, if—after a written warning to the student(s) with copies to the Ensemble Resource Supervisor, practical instruction teacher, Area Chair, and Department Chair—the director, in consultation with his/her sectional coaches, feels that the performance of a student or group of students will not meet a certain minimum standard established by the director, the director may cancel a student’s participation in a performance.

7.4.9 Discipline

The director of an ensemble may recommend that a student withdraw from an ensemble for disciplinary reasons. A student asked to do so will be required to appear before the Department Chair, Area Chair, and director to show cause why he or she should not be required to withdraw.

Students who are required to withdraw from an ensemble for reasons of lack of preparation or discipline will be given a grade of F, which will be reflected in their grade point average (GPA).

7.4.10 Withdrawal

7.4.13 Transfer Credits

The previous ensemble participation of students coming to McGill from other universities will be recognized if their ensemble experience was similar to that required by the Schulich School of Music; determination of this experience will be approved by the Area Chair and the Department Chair. In general, transfer credit is made on a term-for-term basis (not by credits) and usually does not exceed two (2) terms. Students are normally not permitted to reduce the large ensemble training requirements of their McGill program to less than the number of terms required for them to complete the rest of their program. In such cases, transfer credit may be given as music and/or free elective credit for students in non-performance programs. Students in performance may apply a maximum of four credits as complementary performance courses.

7.4.14 Large Ensemble Extra Credits

Large ensemble credits accumulated above the minimum may be applied as music and/or free elective credits for students in non-performance programs. Students in performance may apply a maximum of four credits as complementary performance courses. Participation in additional large or small ensembles implies that the same policies will apply.

7.4.15 Performance Library

Students are responsible for the music that has been loaned to them for their use, and for its return in good condition to the Gertrude Whitley Performance Library. Students will be required to pay for the replacement of any music that has been lost, stolen, or damaged, and a hold on a student's Minerva account can be placed by the Performance Librarian should music or fines not be handed in to the library.

7.5 Accompanying

Music students registered for practical instruction (including elective study) in one of the eligible instruments may request Accompanist Funding up to a

7.12 Examinations

The following information pertains to examinations for students in the Schulich School of Music.

7.12.1 Deferrals

Deferred examinations are permitted in the case of illness or other exceptional circumstances.

- Music students requesting a deferred examination in **academic courses** must submit the *Request for a Deferred Examination* in *Minerva*.
- Students requesting a deferred examination in a **practical music examination** must contact the *Performance Department* directly to re-schedule the exam.

Supporting evidence such as an appropriate medical note is required. The supporting documents must be submitted to the *Music Student Affairs Office* no later than five business days from the date of the final exam. For all exam deferral requests except for practical music examination, an L (deferred) will appear in place of a grade if the request is approved. The grade obtained in the deferred examination will replace the grade of L (deferred) on the official transcript.

Deferred examinations in academic courses without a final exam during the official exam period are given at the discretion of the instructor. A deferred examination in a Music practical examination will be held during the next examination period.

Deferred examinations in academic courses are normally held during the March study break for Fall term deferrals and in August for Winter Term deferrals. See the *Exams website* for more information. **It is the student's responsibility to check the date, time, and place of the deferred examination.**

A mark of L (deferred) not cleared by early May makes the student ineligible for in-course scholarships.

Students who are unable to write a deferred exam must contact the Music Student Affairs Office immediately to initiate a withdrawal from the deferred exam. Deferred examinations cannot be written at a later date. If the withdrawal is not approved, a final grade of J (absent) will be entered and will count as a zero in the TGPA/CGPA.

7.12.2 Supplementals

Supplemental examinations in Music academic courses may be given at the discretion of the instructor. A student who receives a mark below 30% in a course is not permitted to take a supplemental examination but must repeat the course. Students are subject to a supplemental exam fee if the request is approved. See the Exams website www.mcgill.ca/exams/dates/supdefer for more information.

7.12.3 Reassessments and Rereads

Students may request reassessments of term work or rereads of final exams. In either case, students should first consult the instructor for clarification on an assessment and to request a possible grade adjustment if deemed eligible. If a satisfactory conclusion cannot be reached, students may contact the Student Affairs Office (studentaffairs.music@mcgill.ca) in writing to apply for a reassessment. A formal re-evaluation will be conducted by a qualified and impartial evaluator. A fee may be charged for a reread or reassessment.

Students are subject to the following rules when applying for a reassessment or reread:

- Grades may either be raised or lowered as a result of a reread/reassessment; the final course grade following a reread/reassessment takes precedence, whether it is higher or lower.
- If the resulting grade remains the same or is lowered, a fee will be charged; consult the *Student Accounts website* for fee details.
- If the reread/reassessment leads to a higher grade, no fee will be charged.

Students must submit a reread/reassessment request by the following deadlines:

- March 31 of the subsequent year for fall courses
- July 31 of the same year for winter courses
- November 30 of the same year for summer courses

Note: No late applications for rereads/reassessments will be accepted.ember 30 of the same year for assFcedence,
